4th September 2018

Dear Staff, Governors and Families,

We are very pleased to announce that Wyke Primary School converted to become part of the Kite Academy Trust on 1st August. The conversion has taken longer than we had hoped but we are delighted that this was finalised over the summer break and they will formally be part of the collaboration from the start of this academic year.

The staff and Governors have already been working with the Kite team over the last academic year and so we feel that the transition will be very easy. We are planning for the children to celebrate on Monday 10th September when some children from each school will come and join children from Wyke at the Wyke Primary school site. At the end of the school day there will be a celebratory tea party at Wyke Primary School and we would love as many of our staff and Governors to come as possible.

I am sure that you will all join me in welcoming the Wyke school community to the Trust.

Yours sincerely

John Allan
